GRADING SERVICES	FEE	ESTIMATED TURNAROUND	REQUIREMENTS
CrossOver	Tier price	According to tier chosen Ex: CrossOver Early Bird is 12 working days.	PCGS-holdered coins are reviewed for NGC certification. Coins will be removed from their holders only if they can be graded at the same or higher than your specified minimum grade. Specify "ANY" as the minimum grade to have your coin crossed regardless of grade. Specify "DETAILS" to cross coins with detrimental surface conditions. NGC does not accept MS/PF 70 coins for CrossOver at the same grade. You may not request a higher minimum grade than is on the current holder. Non-PCGS-holdered coins must be removed from their holders and submitted raw.
ReGrade	Tier price	According to tier chosen	If you disagree with a grade assigned by NGC, you may submit the coin for review for a higher grade. Coin must be intact in its holder. Also, choose a grading tier according to coin value and desired turnaround.
Mint Error	Tier price + \$12*	Tier + 5 working days	NGC examines Mint Errors and assigns a designation. Coins will be encapsulated at NGC's discretion. Also, choose a grading tier according to coin value and desired turnaround.
VarietyPlus®	Tier price + \$12*	Tier + 5 working days	Upon request, NGC examines coins for recognized varieties and certifies them with applicable designation. Also, choose a grading tier according to coin value and desired turnaround. See www.NGCcoin.com/VarietyPlus for a complete list of varieties we recognize. If you would like a coin already graded by NGC reviewed for variety, do not select a grading tier. Select the VarietyPlus service option.

*VarietyPlus and Mint Error attribution fees apply when these services are requested — regardless of whether or not NGC determines your coin to be a recognized variety or error coin.

Tokens & Medals	Tier price	According to tier chosen Additional turnaround time may apply.	(World tokens must be submitted on World Coin Submission Form.) Accepting US Hard Times and Merchant tokens as listed in Rulau, Civil War and Store Card tokens as listed in Fuld, So-Called Dollars as listed in Hibler & Kappen, Medals, US Political medals as listed in Dewitt/Sullivan. Variety attribution included. See www.NGCcoin.com for complete list.
Oversize Holder	Tier + \$20	According to tier chosen	Coins over 45mm in diameter are placed in an NGC Oversize Holder. Must be submitted on a separate submission form.
ReHolder			A coin in an NGC holder submitted for placement in a new holder.
ReHolder	\$7.50	5 working days	All US coins valued at \$10,000 or less.
Special Label ReHolder	\$13	5 working days	All US coins valued at \$10,000 or less requesting a special NGC label.
High Value ReHolder	\$15	5 working days	All US coins valued over \$10,000.
Oversize ReHolder	\$17.50	5 working days	All US coins over 45mm valued at \$10,000 or less.
High Value Oversize ReHolder	\$25	5 working days	All US coins over 45mm valued over \$10,000.
Designation Review	\$12	5 working days	NGC-certified coins you'd like reviewed for a particular designation or variety, such as "FB," "RB" or "★." There is no designation review service for ♣. Coins must be submitted for grading. For varieties, use VarietyPlus and separate from Designation Review services.
NCS CrossOver	\$5	5 working days	Coins encapsulated by NCS are NGC Details Graded.
Appearance Review	No charge	12 working days	A service for review of an NGC coin you believe is over graded or unattractively toned in a way that makes it unmarketable.
Metallurgic Analysis	\$75	3 working days	Upon request, NGC performs a composition surface scan. Only coins with non-standard metal composition will have the weight and the three most abundant non-trace metals listed on the certification label. Metallurgic analysis is available for all pattern, essai, trial and mint error coins, tokens and medals.
Return Packaging	\$3/invoice	1 working day	For example: capsules, Certificates of Authenticity and Mint boxes.
Imaging Services	Applies to all on invoice		If chosen, NGC provides digital imaging for coins submitted under any grading and service tiers.
Low Resolution	\$5/coin	Tier +1 working day	Accurate 72 dpi, JPEG image of the NGC coin holder's obverse and reverse. Sent to you by email.
High Resolution	\$10/coin	Tier +1 working day	Accurate 300 dpi, JPEG image of the NGC coin holder's obverse and reverse. Sent on CD with coins.
