DOMESTIC (US) RETURN SHIPMENTS

Shipments to US addresses are shipped by NGC via USPS Registered Mail by default and insured according to the declared value provided by the submitter on the NGC Submission Form(s). See the Domestic USPS Registered Mail Shipping / Insurance Fee Matrix above.

If you have private insurance, or if you would like to ship with a carrier other than USPS, please contact NGC Customer Service at service@NGCcoin.com or 800-NGC-COIN (642-2646) before submitting so that we can place this information on file. We must have this information on file prior to receiving your submission.

In the rare event that a return shipment cannot be located, please contact NGC Customer Service at service@NGCcoin.com or 800-NGC-COIN (642-2646). To make a claim, the USPS will require acceptable proof of value showing completion of payment such as a dated sales receipt, money order, credit card statement, copy of the front and back of a cancelled check or proof of completed internet payment transaction indicating actual amount paid.

INTERNATIONAL RETURN SHIPMENTS

Shipments to non-US addresses are not insured. NGC is not responsible for loss or damage to international shipments.

Please note that different carriers may have restrictions on certain items. Collectors and dealers are encouraged to consult with these carriers to confirm that their items are eligible.

We encourage international submitters to secure private insurance coverage, such as that provided by Hugh Wood, ShipandInsure.com, Brink's or Malca-Amit.

If you have private insurance, please contact NGC Customer Service at service@NGCcoin.com or 800-NGC-COIN (642-2646) before submitting so that we can place this information on file. We must have this information on file prior to receiving your submission.

Note: If you submit to NGC's Official Submission Centers in Munich or Hong Kong, your submission will be fully insured in transit from the Official Submission Center to NGC headquarters and back to the Official Submission Center. NGC will also handle all customs clearance for such submissions. Grading fees for NGC's Official Submission Centers in Munich and Hong Kong include round-trip shipping, insurance and customs clearance fees.
